Grow

Our programs and benefits are designed around an expanding community of businesses in the Hillsboro area and Hill County. Each type of business member has a unique set of goals and needs.

We provide custom solutions and resources for each type of member.

Schedule a phone call or meeting with us to discuss **your business** and how to leverage our local experience, connections and capabilities to help you grow.

Connect

Visibility, Reputation and Promotion

Members and the public are invited to networking opportunities throughout the year with businesses, community and elected leaders.

Get invitations to member open houses, grand openings, local special events, ribbon cutting ceremonies, and civic and nonprofit events that allow your business to connect and grow here.

Your directory listing on our website promotes your business 24-7-365 days a year. Our online presence and tools allows members to have maximum visibility in online searches.

Add your events or jobs listings to our website to get maximum local visibility and engagement.

Want more connections or introductions? We work with members every day with referrals, meetings and connecting needs with solutions. What's your need? Call us and let's talk.

We can help with marketing, logo design, and make referrals to professionals in our area that can improve your website, social media and business collateral.

Want to promote your business? We can help with social media posts, invite the public to your events, and help provide photography, videography, member spotlights, or press releases.

Engage your employees with involvement in Chamber and local events, and help represent your business to a wider range of community and city people and companies. Employees can also receive our newsletter to help them stay engaged and informed.
